Adding Second Line  
[dyre1764] committed a day ago

[f03a300](#)

8.

Nano README.md

9.

Git add README.md

Git commit

10.

Git pull

An error occurs here because the file README.md has been changed before I started editing it locally. When I pull the README.md from origin, git adds the changes from member #2 to my local README.md file.

11.

Nano README.md

Git add README.md

Git commit

Git push origin Current\_Assignment

Adding second line.
